

ENVIROQUEST 2.0

From Awareness to Impact

Themes for Projects

- Climate Awareness and Environmental Responsibility
- Waste Management and Sustainable Living
- Water, Energy, and Resource Conservation
- Green Mobility and Sustainable Campus Initiatives

 22nd May, 2026
 10:00 AM - 12:00 PM
 LH 708, Picasso Block

Convener:
Prof. (Dr.) Rishu Chhabra
Dean, DCSE

Faculty Coordinators:
Dr. Shveta Bansal | **Dr. Pooja Mahajan**
Assistant professor, DCSE | Associate Professor, APSC

Organised by:
Department of Computer Science and Engineering
In collaboration with
Centre of Excellence for Sustainability

Event Name	ENVIROQUEST 2.0 – From Awareness to Impact: Promoting Environmental Awareness and Sustainable Action
Date	22 May 2026
Venue	TG 101, Turing Block, Chitkara University
Organizer	Department of Computer Science and Engineering (DCSE), Chitkara University Punjab in collaboration with the Centre of Excellence for Sustainability (CUCES)
Coordinators	Prof. (Dr.) Rishu Chhabra, Dean, DCSE
Resource Person	Dr. Shveta Bansal, Assistant Professor, DCSE & Dr. Pooja Mahajan, Associate Professor, Department of Applied Sciences
Judges	Dr. Ravi Dandotiya (CSH) & Dr. Kanika (CSHS, Department of Nursing)
SDGs Covered	4,11,12,13 & 17
Duration	3 Hours

Objective

The objective of **ENVIROQUEST 2.0** – From Awareness to Impact was to promote environmental awareness among students and encourage them to actively participate in sustainability-focused initiatives. The event aimed to enhance understanding of environmental challenges, inspire innovative thinking, and motivate students to adopt sustainable practices that contribute towards environmental protection and sustainable development.

Description

The Department of Computer Science and Engineering (DCSE), Chitkara University Punjab, in collaboration with the Centre of Excellence for Sustainability (CUCES), successfully organized ENVIROQUEST 2.0 – From Awareness to Impact on **22nd May 2026** at TG 101, Turing Block.

Conducted under the guidance of **Prof. (Dr.) Rishu Chhabra, Dean, DCSE**, and coordinated by **Dr. Shveta Bansal** and **Dr. Pooja Mahajan**, the event served as a dynamic platform for students to showcase their understanding of environmental sustainability through presentations and innovative ideas.

Students enthusiastically participated by delivering PowerPoint presentations on a wide range of environmental themes, including climate awareness, environmental responsibility, energy conservation and electricity-saving practices, awareness regarding the ban on single-use plastics, campus waste management, Chitkara University's Sustainable Development Goals (SDG) journey, energy consumption patterns, and green mobility initiatives.

The participants demonstrated creative, research-driven, and solution-oriented approaches to address pressing environmental concerns. Through their presentations, students highlighted practical strategies for promoting sustainable lifestyles, reducing environmental impact, and encouraging responsible resource utilization.

The evaluation panel comprised **Dr. Ravi Dandotiya** from Chitkara School of Health Sciences and **Dr. Kanika** from the Department of Nursing, CSHS, who assessed the presentations and provided valuable insights and constructive feedback. Their expert guidance enriched the learning experience and encouraged participants to think critically about sustainability challenges and solutions.

The event fostered active engagement, knowledge sharing, and meaningful discussions, reinforcing the importance of environmental stewardship and collective action towards building a greener and more sustainable future.

Winners of ENVIROQUEST 2.0

1st Position: Ridam Goyal (Roll No. 2510998006)

2nd Position: Harkaran Singh Bal (Roll No. 2510998003)

3rd Position: Sukhmanpreet Kaur (Roll No. 2510998007)

Outcomes

- Enhanced awareness among students regarding environmental sustainability and climate responsibility.
- Encouraged innovative thinking and problem-solving related to environmental challenges.
- Increased understanding of sustainable practices such as energy conservation, waste management, and green mobility.
- Strengthened students' presentation, communication, and research skills.
- Promoted active participation in sustainability-focused initiatives and environmental protection efforts.
- Inspired students to adopt eco-friendly lifestyles and contribute towards achieving Sustainable Development Goals.
- Fostered a culture of environmental responsibility within the university community.

Conclusion

ENVIROQUEST 2.0 – From Awareness to Impact successfully served as an engaging

platform for students to explore, discuss, and present innovative solutions to contemporary environmental challenges. The event strengthened environmental awareness, encouraged sustainability-driven thinking, and motivated participants to become active contributors to environmental conservation and sustainable development. Through meaningful discussions and creative presentations, the initiative reflected Chitkara University's commitment to fostering responsible citizenship and nurturing future leaders dedicated to building a sustainable world.
