Activity In Collaboration with Strathmore Business School, Kenya

@ CHITKARA UNIVERSITY, PUNJAB , INDIA

RINA ANGEL

Chitkara University welcomed 35 students from Strathmore Business School, Kenya, to its MBA-Healthcare International Module at the Department of Healthcare Management. The exchange program, a testament to India-Africa collaboration, offers a transformative academic experience. Under the guidance of Dr. Madhu Chitkara, Pro-Chancellor, the students are introduced to the rich tapestry of Indian healthcare. Led by Prof. Keerti Pradhan, they will explore various aspects of the healthcare landscape, including teleconsultation advancements and rural healthcare dynamics. An exhibition showcases innovative solutions and technologies driving the Indian healthcare sector forward. Students will gain insights into the challenges and opportunities shaping the industry through interactive sessions and hands-on experiences. The journey of cross-cultural immersion extends beyond the classroom, with scheduled visits to renowned hospitals, pharmaceutical companies, and medical consumable manufacturing facilities. Chitkara University is committed to providing a transformative learning experience that prepares students to become future leaders in the dynamic and ever-evolving field of healthcare management.
